PRODUCT PHASEOUT BULLETIN

#150223

February 23, 2015

EndRun Technologies is announcing the phaseout of the Tycho GPS Frequency Reference. The Tycho II GPS Frequency Reference is the replacement for the Tycho.

The Tycho is still available in limited quantities. The period for making a non-cancellable, non-refundable Last-Time-Buy ends April 30, 2015. There is a 2-6 week lead time on delivery of these devices which are subject to availability.

Contact EndRun Sales for information on the use of this product in long-term programs.

The following part numbers are affected:

Part Number	Description
3021-xxxx-xxx	Tycho GPS Frequency Reference

Note: "x" is variable.

Replacement Products:

The Tycho II GPS Frequency Reference is the replacement for the Tycho. Following is the part number for the basic Tycho chassis configuration. Contact EndRun Sales for other replacement part numbers.

Old P/N	Old Description	New P/N	New Description
3021-0001-000	Tycho	3041-0001-000	Tycho II

Continued Product Support:

EndRun will support its products for as long as you own them. Free technical support by phone/email will continue to be available to all Tycho owners. After the 2-year warranty period expires, if necessary, we will repair your product as long as we can obtain parts to do so (parts & labor will be charged).
