PRODUCT PHASEOUT BULLETIN

#150608

June 8, 2015

EndRun Technologies is announcing the phaseout of the Meridian CDMA Frequency Reference and the Tycho CDMA Frequency Reference.

These products are still available in limited quantities. The period for making a non-cancellable, non-refundable Last-Time-Buy ends March 31, 2016. There is a 2-4 week lead time on delivery of these devices which are subject to availability.

Contact EndRun Sales for information on the use of this product in long-term programs.

The following part numbers are affected:

Part Number	Description
3020-xxxx-xxx	Tycho CDMA Frequency Reference
3025-xxxx-xxx	Meridian CDMA Frequency Reference

Note: "x" is variable.

Replacement Products:

There is no direct replacement for the CDMA-Synchronized Meridian & Tycho. Contact EndRun Sales Department regarding other products with similar functionality.

Continued Product Support:

EndRun will support its products for as long as you own them. Free technical support by phone/email will continue to be available to all Meridian & Tycho owners. After the 2-year warranty period expires, if necessary, we will repair your product as long as we can obtain parts to do so (parts & labor will be charged).

Contact Information:

Feel free to contact us if you have any questions or need help:
