

PRODUCT PHASEOUT BULLETIN

#201228

December 28, 2020

EndRun Technologies is announcing the phaseout of the CDMA-synchronized Sonoma Time Servers.

The period for making a non-cancellable, non-refundable Last-Time-Buy ends March 31, 2021. There is a 2-3 week lead time on delivery of these devices which are subject to availability.

Exceptions to this policy, especially for delivery to China, can be considered. Please contact EndRun Sales.

The following part numbers are affected:

Part Number	Description
3026-xxxx-xxx	Sonoma D12 Time Server (CDMA-Synchronized)
3028-xxxx-xxx	Sonoma N12 Time Server (CDMA-Synchronized)

Note: "x" is variable.

Replacement Products:

There is no direct replacement for the CDMA-Synchronized Time Servers. If you are interested in converting your CDMA Time Server to GPS then contact the EndRun Support Department for information. If you are interested in purchasing a new Time Server (GPS) then contact the EndRun Sales Department.

Continued Product Support:

EndRun will support its products for as long as you own them. Free technical support by phone/email will continue to be available to all Sonoma owners.

Contact Information:

Feel free to contact us if you have any questions or need help:
