

PRODUCT PHASEOUT BULLETIN

#200228

February 28, 2020

EndRun Technologies is announcing the phaseout of the Praecis II CDMA Timing Module.

The period for making a non-cancellable, non-refundable Last-Time-Buy ends April 1, 2020. There is a 2-3 week lead time on delivery of these devices which are subject to availability.

Exceptions to this policy can be considered, please contact EndRun Sales.

The following part numbers are affected:

Part Number	Description
3002-xxxx-xxx	Praecis II CDMA Timing Module

Note: "x" is variable.

Replacement Products:

There is no direct replacement for the CDMA-Synchronized Praecis II. Contact the EndRun Sales Department regarding other products with similar functionality.

Continued Product Support:

EndRun will support its products for as long as you own them. Free technical support by phone/email will continue to be available to all Praecis II owners. After the 1-year warranty period expires, if necessary, we will repair your product as long as we can obtain parts to do so (parts & labor will be charged).
